For use by residents with cars, trailers or LDVs (total carrying capacity not exceeding 1,5 tons)

1. Conditions of use for drop-off sites (free of charge)

a) Garage waste:

Any household waste other than clean garden waste, clean builders' rubble or domestic waste from residential properties.

Maximum vehicle carrying capacity: 1,5 tons. Separated and contained.

Frequency: Up to one load per day per residence.

b) Clean garden waste:

Vegetation generated by gardening activities on properties zoned for residential or domestic purposes. In bags/bundles no longer than 1,2 m in length and not exceeding 60 mm in cross section.

Maximum vehicle carrying capacity: 1,5 tons.

Frequency: Three loads per day per residence and per garden service company

c) Clean builders' rubble:

Waste consisting of broken bricks, sand, stone, cement, plaster and similar materials, excluding paper, plastic, wood, glass, metal and hazardous waste

Maximum vehicle carrying capacity: 1,5 tons.

Frequency: One load per residence per day.

However, at the discretion of the Executive Director and based on operational prerogatives the number of loads per day may be increased to a maximum of three.

d) Recyclable materials:

Maximum vehicle carrying capacity: 1,5 tons.

Frequency: Unlimited

e) Kitchen waste:

Not accepted at drop-off sites

2. Enquiries for all drop-off sites
